

32nd Annual Parish Nurse and Congregational Health Ministries Conference

Dear Sisters and Brothers in Christ,

Welcome to our 32nd annual conference! This year's gathering is based on Galatians 6:2: *Carry each other's burdens, and in this way you will fulfill the law of Christ.*

As we prayerfully ask for compassion, kindness, humility, patience, and follow His example, we know that our God has blessed us. We will serve our Heavenly Father in our churches and communities with caring service in our congregational health ministries.

This annual national gathering of nurses, pastors, lay ministers, and others is a true blessing. It helps us all focus on our calling to vocations, to share and tell the love of Christ, and to serve Him in all we do. It includes blessings to gain new knowledge, network with peers, and share resources to help us all develop new programs and ministries in congregational health.

If you cannot attend, please pray for a successful conference and consider a financial donation.

I hope to see you in May 2025 at the 33rd annual conference in Mequon, WI.

Your sister in Christ,

Carol Lueders Bolwerk, PRN, PCN

Director of Parish Nursing
Concordia University
262-243-4233
Carol.Luedersbolwerk@cuw.edu

Concordia University Wisconsin

CUW is located in Mequon, Wisconsin, 25 miles north of Milwaukee's Mitchell International Airport.
