

Foundations of Faith Community Nursing

Online

Saturday March 23, April 20, and May 18, of 2024

Faith Community Nursing is a specialized field that combines healthcare with spirituality and religious beliefs. It's often seen as a way to provide holistic care to individuals and communities who share a common faith. This type of nursing can be particularly beneficial in addressing the unique healthcare needs and challenges faced by faith communities.

The course provides nurses with the knowledge and skills necessary to implement and facilitate a Faith Community Nursing ministry. This includes understanding the unique needs and dynamics of faith communities.
